Association seeks input on heritage, traffic and standards

RESIDENTS ASSOCIATION FORMED

If you're concerned about preserving the character and heritage of the town, the Whitchurch-Stouffville Residents' Association would like to hear from you. The group's mission is "To preserve and improve the heritage of our town and to ensure that the Whitchurch-Stouffville Secondary Plan recognizes and protects the existing character of our town and builds on its heritage for future development," said spokeswoman Jean Major. With a spring deadline for plan approval, timing is of the essence, she noted. Issues the group would like to see addressed include the setting out of architectural guidelines for new developments to complement existing buildings, careful planning of traffic flow and a commitment to

environmentally sensitive land use policies. For more information call Jean Major at 640-8538.

A MUSICAL DRAW

Get your ticket for the Heritage Express and enter a draw for \$500 worth of products or vouchers. Tickets for this year's Music Mania presentation, 'Mystery Aboard The Heritage Express,' include a ballot, which can be filled out and dropped off at the show on April 24, 25 or 26. The draw will be held April 26. Tickets are \$10 for adults, \$4 for children and are available now from The Tribune and Card's Hardware.

FESTIVAL SEEKS

VOLUNTEERS

The Strawberry Festival Committee is still looking for volunteers to help out before and during the event, which takes place over the July 1 weekend. Anyone who is interested in participating should call Dave Houston (640-4454) or Gladys Clarkson (640-1941). An earlier decision not to close Main Street to traffic on the Saturday of the festival has been rescinded by the committee as a result of requests from merchants and residents.

BOOK A DAY AT THE ZOO
 John Lord's Books is among the participants and sponsors of Alphabet Zoo, which takes place at the Metro Toronto Zoo April 19 and 20.

The event is being held in conjunction with The Writers' Development Trust and Canada Book Day. Guest authors will read from their works and youngsters can test their skills and try out for some great prizes in the Alphabet Scavenger Hunt.

Authors and illustrators will be on hand to sign their books and visitors can bring in used nature and animal books to participate in the book swap.

Literacy exhibits will be featured throughout the weekend and patrons will get a 10 per cent discount on all books from the zoo's gift and book store. Hours are 9 a.m. to 6:30 p.m. For more information call 416-392-5938.

IT'S A DOODLE

The York-Durham Heritage Railway and the Uxbridge Celebration of the Arts are holding their third annual Celebrity Doodle Auction at the old Zehrs store on Highway 47 in Uxbridge, April 19 from 6 p.m. The event includes four silent auctions, from 6 p.m., featuring original signed doodles from stars of stage, screen, sports, arts and literature; John Travolta, Leslie Nielsen, Robert Bateman, Shania Twain, Lynn Johnston and Norman Jewison. Finger foods will be served and a cash bar with beer and wine will operate throughout the evening.

Tickets are \$5 from members of YDHA and the Celebration of the Arts, or by calling 642-5560.

REFORM PARTY OF CANADA

Is What We Got
What We Deserve?

"Citizens of a free and democratic country deserve the form of government they get!"

Do we deserve and want:

- Governments that lie and deceive us?... GST/TAX Increases
- Criminal rights held above victim rights?
- One of the highest taxation rates in the industrialized world?
- Double digit unemployment rates (Even higher for our young people).
- Wasteful misuse of our tax dollars? (Includes outright gifts to dictatorial regimes).
- Attacks on pension plans that most Canadians will have contributed to, over a lifetime of work?
- Equality - where some are more equal than others?

Are you angry yet?

Good... Because we need angry Canadians, angry enough to get involved and help make a change.

There is an alternative that provides participation and input at the local level, recall of politicians who don't vote their constituents wishes, reduction of bloated bureaucracies and elimination of our country's debt.

An alternative that will provide a better economic framework to ensure the type of environment necessary to create long term jobs and security for Canadians.

An alternative with heart and compassion for those who are truly in need.

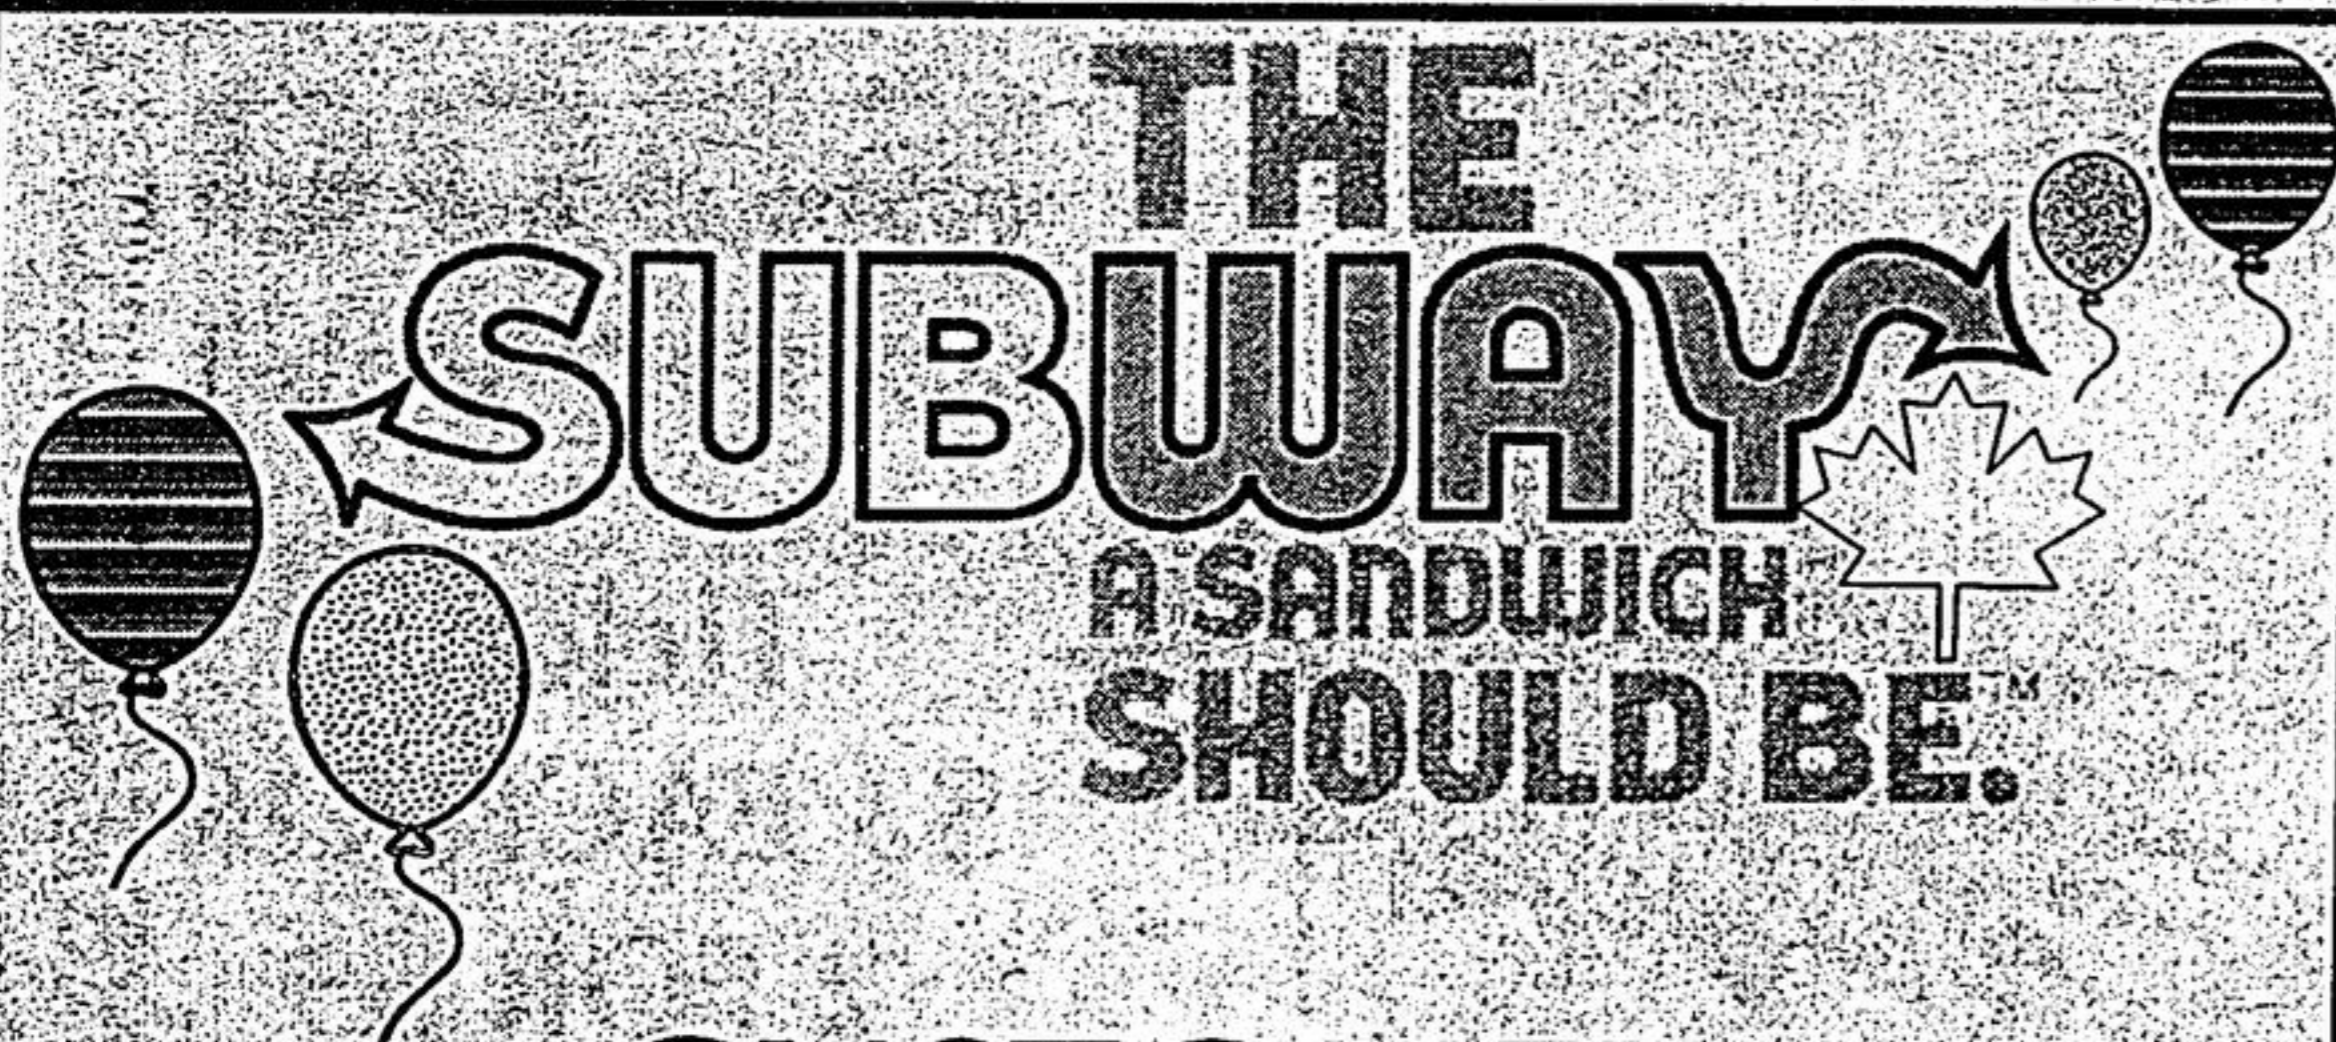

If this sounds like the kind of Canada you would like to have, we need your participation **Now**. We need you as a member, participant, donor and as Reform Party candidates to stand for nomination in the upcoming election.
