

Cheque this out

The Stouffville Figure Skating Club presented a cheque for \$559 to the Heart and Stroke Foundation recently at the Rec Centre. In the picture, Judy Smith, president of the club, and members Levi Barkey and Kim Hord present the cheque to Marion Hodgson, chair of the Whitchurch Stouffville Chapter of the Heart and Stroke Foundation.

Residents association seeks members

A public meeting is being held April 23 to form the Whitchurch-Stouffville Residents Association, and ratepayers are urged to attend so the group can be mobilized into action before the Secondary Plan goes into effect this spring.

The group's mission is to "preserve and improve the heritage of the town, and to ensure that the Whitchurch-Stouffville Secondary Plan recognizes and protects the existing character of our town and builds its heritage for future development."

The group is asking for members within

the York Durham line in the east, the Town of Markham boundary in the south, a line 250 metres west of Highway 48 and in the north, the boundary that follows Bethesda Rd. and the north boundary of Lot 4 to the CN line, to the Bethesda Road again and following Hwy. 47 to the north boundary of Lot 6.

The association states in its mission statement that the town is in a critical stage in its evolution, and opinions are needed on the Secondary Plan.
