Children's Aid seeks input from public

York Region Children's Aid Society (YRCAS) would like to hear from anyone who is presently receiving service or who did receive service in the past, from the society.

The society is now in the process of developing its strategic plan. This plan, when completed, will set the direction for the society to take over the next five years and will indicate who it will get there.

If you have been or are presently involved with the society with a situation involving a child protection matter, an adoption, adoption disclosure, or in some other way, we hope you will consider becoming involved in the planning process.

For more information, please contact Myra Hurst, at YRCAS at (905) 895-2318, 722-3474 or 731-3150.
