Betz team could get assistance from Evans

(From page 24)
 son. The Betz outfit plans to remain in the North York loop.
 Betz head coach Dave Boyd said former Stouffville rep player and nationally renowned fastball pitcher Scott Evans could pitch for his crew against the New Zealand team.

Evans, who helped the Stouffville Merchants team including championships in 1990, is also planning to pitch some games with the Claremont Rebels this season. The Rebels, who played out of the North York loop last summer, are moving to the Oshawa league this season. Evans may be joined on the Rebels by another former Stouffville pitching ace, Jim Chilvers. Evans will continue to pitch with the Midland (Michigan)

Explorers on weekends.
 The 25-year-old Evans, who pitched Alberta and British Columbia teams to three Canadian Junior fastball championships earlier this decade, will be entering his third season with the American fastball squad.
 Evans served as a pitching consultant for the Betz team early last season.

DON VALLEY NORTH LEXUS - TOYOTA ATHLETE OF THE WEEK

Maria Bevacqua
 Being a member of the Unionville Skating Club for the last 10 years has paid off for Maria Bevacqua.
 The 16-year-old Markham native recently earned her Gold Dance in individual skating. A student at Brother Andre Catholic High School, Bevacqua has skated since she was three years old and has also been a member of Unionville's competitive precision teams for eight years.

Get in the Green

GREENBOXes AT ZEHRS

It's green. It's lean. It's fast. It's easy.

Only 3.99
 Save more than money. Save the planet.

FITS THE WAY YOU SHOP

The President's Choice GREENBOX is designed to make shopping a whole lot easier while cutting down on the plastic and paper grocery bags that end up in our landfills. GREENBOX is exactly what the name says - bright green plastic boxes that fit securely into your shopping cart.
 As you shop, you can sort and organize your purchases into individual GREENBOXes. When you check out, instead of packing your purchases into bags, you'll take your groceries home in GREENBOXes.
 Instead of piling everything into the bottom of the cart, You can put fruits and veggies in one GREENBOX, fridge and freezer foods in another, cleaning and paper products in a third, fragile baked goods and cookies in a fourth, and so on. Because you can see exactly what you're putting where, you won't get a nasty surprise at the check-out counter. No bruised bananas, broken eggs or spilled milk.
 It's that easy ... and so convenient. Ask our staff about how to buy your GREENBOXes.

- Light, stackable, sturdy, easy to handle
- Sort your groceries as you shop
- Protect delicate food items
- Quick, convenient, no-hassle check-out
- Easy load & unloading of vehicle
- Quick & easy unpacking at home
- No more paper or plastic bags

Yellow Tag Boxes also available. See in-store for details.
