real life real work

The Canadian Red Cross Society is part of the International Red Cross and Red Crescent Movement, working together with over 165 national societies and other humanitarian organizations throughout the world. As part of this structure, the Toronto Blood Centre is responsible for collecting, testing, processing and distributing blood and blood products to hospitals in Central Ontario. Simply stated, we are a group of dedicated individuals doing whatever it takes. Ours is real work. And the rewards are real.

To apply, please forward your resume, no later than April 28th, 1997, to:

Coordinator, Administration

Team Leader Clinic Planning and Donor Recruitment (field)

You will lead the Clinic Planning and Donor Recruitment team in strategic planning to improve on the successes of donor clinics in the York and Durham regions and the Barrie and Peterborough areas. You will coordinate clinics in your area and work towards increasing the donor list. This will include securing locations, working with volunteers and sponsors, and providing expert advice to both staff and management.

Your proven public relations and marketing skills will help you create media coverage and educate the public about blood donation. After evaluating clinic results, you will refine approaches and techniques to improve future clinics. You possess a university degree in Marketing, Public Relations or Business Administration and have 3 to 6 years of relevant experience, preferably in a health care setting. You've supervised and motivated teams using tact and understanding, and have public speaking experience. A background in volunteer management is an asset.
