General Motors of Canada Limited, Oshawa Car Assembly Plant has excellent opportunities for highly-motivated individuals to join the GM team in our state-of-the-art unionized vehicle-assembly operations. Our Car Assembly plant operates on multiple shifts using the latest technology to produce high quality products.

Supervisors

Production, Maintenance, Material and Quality

As a Supervisor, you will help us meet safety, product quality and production schedule goals while identifying methods to reduce costs, eliminate waste, improve throughput and enhance safety practices. Together with other Supervisors, you will be part of a team supporting the business plan objectives and maintaining the operation at a world-class level. Overtime is scheduled on a regular basis and is driven by customer demand.

These positions offer a unique opportunity to demonstrate your superior leadership, interpersonal and communication skills as well as sound knowledge of manufacturing processes. Previous assembly or component manufacturing experience is an important requirement, to be complemented by a College Diploma/University Degree to enhance your ability to organize and problem-solve. Your focus will be a career in manufacturing.

MAINTENANCE SUPERVISORS must possess expert knowledge of the maintenance of high volume equipment and will have specialized experience in PLC Controls and Robotics. An Electrical Engineering Degree/Diploma/Trades Certificate is essential.

MATERIAL, QUALITY AND PRODUCTION SUPERVISORS must be able to demonstrate the ability to contribute to the success of our operations through a combination of the appropriate educational qualifications and practical experience in their respective areas of expertise.

PLEASE BE ADVISED THAT ALL selected candidates will be required to participate in our Manufacturing Supervisor Assessment process. This includes interviews and skills assessment. A six month probationary training period will be a condition of employment.

Applications are encouraged from qualified men and women, members of visible minorities, aboriginal people and persons with disabilities. Please mail your résumé to be received, not later than **May 26, 1997**, to: **General Motors of Canada Ltd., Regional Personnel Department, 1908 Colonel Sam Drive, Oshawa, ON L1H 8P7, Attn.: Mr. R. L. Willsher 070-001**

To assist us in the selection process, we will only consider those candidates observing the following application procedures:

- You must clearly identify the position to which you are applying, i.e. Material Supervisor, Production Supervisor, Quality Supervisor or Maintenance Supervisor.
- Your résumé must clearly identify your skills related to the position to which you are applying.
- Proof of educational qualifications must be included with your initial application.
- References must be provided.

We thank all applicants, however, only those selected for an interview by June 30, 1997 will be contacted.
