

## Rotary seeks members

The Stouffville Rotary Club is six members shy of getting its charter.

While the service club experienced a very healthy rebirth in Stouffville with 18 members, it still needs 25 members to get chartered. At the present time, the club in Stouffville is being sponsored by the Rotary Club of Whitby.

The hunt is on for more members, stressed club spokesman John Pollard. The local branch of the international club gathers for a breakfast meeting every Wednesday at Angies Eatery on Main Street. Rotary provides humanitarian service, encourages high ethical standards and helps to build goodwill and peace in the world, while membership is open to men and women.

For more information call Pollard at 477-0011.

**HANG IN THERE:** Students of this Stouffville District Secondary School gym class hang out underneath the crossbar waiting for the teacher to sound the whistle for the touch football game to begin on Tuesday.
