What I would give to hold your hand, Your happy face to see, To hear your voice and see your smile. That meant so much to me. What you suffered you told few, You didn't deserve what you went through, Tired and weary you made no fuss. But tried so hard to stay with us. They say memories are golden. And I grieve that saying is true, But I never wanted memories, I only wanted you. Lovingly remembered by your daughters LINDA & MAUREEN
