

Public meeting to be held Tuesday on subdivision

A call has gone out to the users of York Regional Forest to attend a public meeting on Tuesday to deal with a plan to build a subdivision. The meeting will be held at the Stouffville Christian Blind Mission on Stouffville Road just prior to the regular council meeting. Marsha Forts,

area resident, said proposed developments of a 55-unit subdivision would cut-off access from the Patterson forest tract to neighboring forests sections. A group of local citizens is asking for

a right-of-way. Savoia Developments Limited is asking for a zoning change to accommodate the subdivision. Forts strongly encourages forest lovers to come out, and have their say.

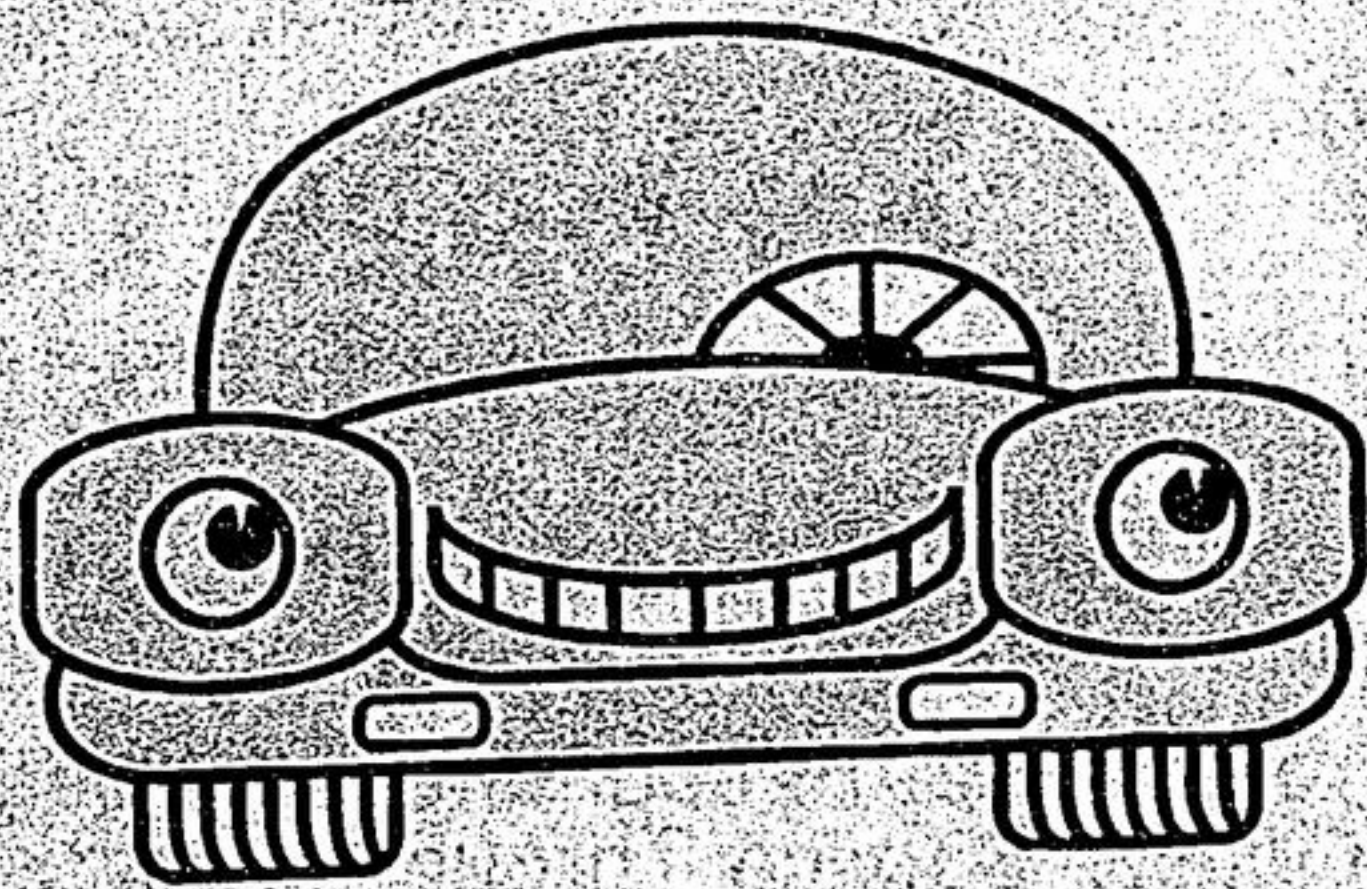

It's our first Anniversary.

Thank you Markham for making it a success.
We appreciate your support.

Our Pledge remains to provide you with high quality products at the lowest possible price.
