# Flower garden destroyed was senseless act

Dear Editor,

I was very sad when Sunday, June 1 I came to the front of my property on Baker St. to find my 28 lovely tulips cut off. I had counted them everyday and looked forward to them. I pray for who ever took them, I would be glad to buy you flowers.

They cost me and I'm very careful with my money.

So I feel sad in a loving community like Stouffville anyone would steal from others.

Stouffville was built on Christian ideas and I pray it can remain.

# Art Latcham's gift to us was 50 acres

Dear Editor,

I wish to thank you for printing my letter in the Stouffville Tribune on Wednesday May 27 proclaiming National Nursing Week May 12-17.

However, I wish to clarify that it was 50 acres of land that Mr. Latcham donated for a hospital to be built on.

In 1964 a group of interested people of Stouffville/Markham formed a group and in 1968 the first incorporated group was formed. It was decided that a hospital should be built on the land that Mr. Latcham had earlier donated with the result that on March 31, 1990 the official opening of Markham Stouffville Hospital was celebrated.

# Student worried about strike

Dear Editor,

I am a Grade 6 student, currently worried about the strike situation and my education. The teachers and principals do the best of their ability to ensure that their students get a quality education.

However, the York Region Board of Education refuses to give teachers' their preparation time back. This would mean more crowded classrooms and less attention for each child.

Students at my level need a quality education. Between the cuts and less preparation time, the quality of elementary education will be greatly affected. No student can afford to lose their education. We need a future.

# Crossword is great

Dear Editor,

Many thanks for bringing the N.Y. Times Crossword back to your paper. It is one of the best non-cryptic crosswords in the world.

One favour though. Please don't print it intermittently like you used to a few years ago.

Let's have one every week or none at all. Also, as it is a real challenge, how about printing the answers the following week instead of in the same issue.

The temptation to cheat is almost irresistible.

Yours truly,

Neil Smith

Editor's Note: The crossword has been assigned designated space. This means it will not run sporadically. Unfortunately, you'll have to fight the temptation to cheat.
