

Golf program for women at John Evelyn

Women looking to learn the game of golf or advance their skills are being given the opportunity by a Stouffville area course.

The John Evelyn Golf Club is holding its first Women's Golf and Gather program, a combination of instruction and socializing. The clinic will run for five successive Monday evenings beginning June 9, with a wine and

cheese reception following the first and the final one-hour sessions.

The clinics will focus on grip/stance, putting, chipping, irons and woods.

John Evelyn pro David Woods said the program is being offered as a means of acknowledging the increasing numbers of women taking up the game.

"We're doing this in response to the growing demand for women's beginner lessons, while giving women a chance to get together with other women golfers," said Woods.

The cost of the five week program is \$120, with the deadline for registration June 4.

The course is located on Tenth Line south below 19th Ave.
