## the ROM

The Royal Ontario Museum, in cooperation with the Engineering Action Forum - 97, of the Professional Engineers of Ontario, are pleased to promote astronomy, science and engineering through a unique

### SUMMER ASTRONOMY CAMP

for children aged 7 to 12 year-olds.

Come and learn about astronomy this summer through an exciting programme of interactive presentations, audio-visual and hands-on activities. Discover and explore our solar system of planets and our universe of stars and galaxies.

The camp is directed and taught by professional ROM teachers and professional engineers

This is a series of one week, half-day programmes from 9 am to 12 noon.

**Location:** 7077 Kennedy Road, 2nd floor, Suite 209.

**Dates:** Monday to Friday, 9 am to 12 noon.

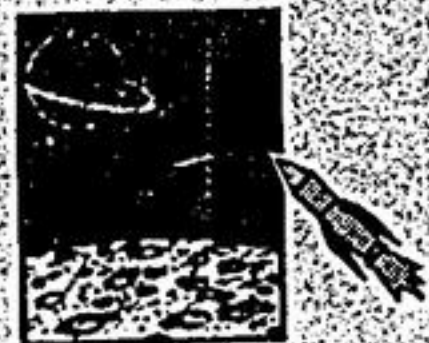

On Fridays the students will visit the Royal Ontario Museum and "star performer" the Starlab Planetarium.
