### PROPOSED WIDENING AND RECONSTRUCTION OF YORK/DURHAM LINE (Y.R. 30) FROM STEELES AVENUE TO HIGHWAY 7

In November, 1994, York Region announced its intention to carry out a Class Environmental Assessment (Class EA) for the noted project and in June 1995, held a Public Information Centre (PIC) to review proposals with the public.

The Class EA was put on hold when the Provincial Government announced the start of the EA for Highway 407 from Markham Road eastwards into Durham Region.

Now that the Highway 407 proposals are known, York Region proposes to continue its Class EA for York/Durham Line (Y.R. 30) between Steeles Avenue and Highway 7/proposed Highway 407.

A second PIC will be held to allow the public and interested agencies to review the alternative proposals and to assist in determining the preferred scheme.

Details of the PIC are:

101 Town Centre Boulevard  
Markham, Ontario L3R 9W3
