

# CFTO stars come out to help at local event

Stouffville and Uxbridge residents can help out a great cause just by having some strawberries this month. St. Andrew's Chalmers Strawberry Social will be held June 21 from noon to 3 p.m. at the Presbyterian church, which is located at 40B Toronto St. South in Uxbridge.

Kids). The registered, non-profit charity provides horseback riding therapy for children who are physically or mentally handicapped, as well as those with learning disabilities. For \$3 or \$4, which includes tea, coffee or juice, visitors to the

social can choose from a variety of treats, including generous servings of strawberry shortcake, strawberries and ice cream, and strawberries and cream, served by the likes of Lance Brown, Dave Devall, Tom Gibney, Christine Bentley and Ken Shaw of CFTO

TV and many others. Live entertainment will be supplied by the 4 Dads and the Pineridge Chorus and a huge bake sale, with the emphasis on strawberries, will be held during the afternoon. People from Stouffville are being encouraged to take the

tourist train to Uxbridge and make a day of it. It takes less than 10 minutes to walk from the station to the church, so Stouffville residents can take the 10.35 a.m. train, which arrives in Uxbridge at 11.50 a.m., returning on the 3 p.m. train. All are welcome.

The third annual fund-raising social will see proceeds divided between the maintenance of the historic 140-year-old church and T.R.A.C.K. (Therapeutic Riding Association for Challenged

## MS Society wants your old junker

Tired of seeing that old junker just sitting in the driveway or backyard? We have the answer.

Why not donate it to the Multiple Sclerosis Society of Canada and help clean up the environment? The Multiple Sclerosis Society of Canada is part of a Charity Vehicle Recycling Program across Canada that will arrange to pick up and recycle your vehicle for free.

Any old car, truck, boat, snowmobile or motorcycle is picked up and recycled for parts, scrapped or sold at auctions.

The proceeds are then sent to the Multiple Sclerosis Society to fund ongoing medical research and to support family services in your local community.

The donor then receives a tax receipt for the full amount of the proceeds. Vehicles can be of any age, any condition and in any location across Canada.

Donate any unwanted vehicles and help in the fight against Multiple Sclerosis.

Donors can call the pickup line at 1-800-463-5681.

## Don't bag clippings this summer

From page 12 ■ Clipping is that is causes thatch. "Clippings and thatch are simply not connected. Thatch results from the abnormally fast growth of roots and other plant tissues and is caused by over-watering and over-fertilizing", she said. Grass clippings left on the lawn decay quickly and return valuable nutrients to your grass.

Another myth about grasscycling is that it is messy. Because grass has such a high water content, it actually decays very quickly. Clippings will disappear within a day or two. If you're worried about tracking grass into your home or pool, mowing your lawn late in the day will give clippings time to dry, and settle overnight. When you add it all up, grasscycling is a great idea.

It helps save time, energy and money and produces a healthier lawn that's easier to care for. To get your free 'We Grasscycle' sign, call 668-7721 or 1-800-372-1103.
