## Chrysler Career Opportunities

We are experiencing extraordinary increases to our service volume. In order to maintain our high level of customer satisfaction, we require the services of the following professionals. Chrysler experience is necessary for all positions. Successful candidates will be enthusiastic, well groomed and energetic, with careers, not jobs, as their goal.

Compensation in all positions is a generous base salary or hourly rate, plus productivity bonuses and additional bonuses related to maintaining our industry-leading levels of customer satisfaction.

### Two Chrysler-trained Technicians.

All candidates must be licensed, productive and driven to provide quality workmanship. You must be able to work in a team environment and be dedicated to providing our customers outstanding service.

### One Working Shop Foreperson

The successful candidate will have a solid Chrysler background and demonstrate strong leadership and communication skills.

### One Parts Department Person with Chrysler experience.

The successful candidate will be able to interact with the public and do a variety of interesting functions while working directly with the Parts Manager.

Resumes should be delivered or mailed to Peter Burdon, at the address below. Applications must be received not later than June 25 at 5 p.m. Faxed applications will not be accepted.
