

Toll road raises \$2,485

Highway 407 is not the only success road toll story. Here in the local community, a recent road toll, held by the Whitchurch-Stouffville Museum and Heritage Advisory Board, raised \$2,485. The money will go towards the museum's Endowment Fund bringing the fund's total to \$19,796.

Dons Billich, museum curator, explained that the local museum's endowment fund was established in 1994.

While donations to the fund remain forever intact, the interest revenue generated through the investment provides financial support each year for the preservation, research and education of the Whitchurch-Stouffville Museum, said Billich.

Lost something? A large set of keys was left in the Heritage Deli on Main St. on the weekend. Visit the business to claim your keys.
