**PAEDIATRIC THERAPISTS - Competition #97-183**  
(Full Time and Casual/On-call)  
\$22.16 - \$26.15 per hour

The Paediatric Therapist, within a consultative mediator model, recommends and supports therapy programs for families of children with special needs (birth to school age) for children enrolled in Early Intervention Services of York Region.

Participates in developing, implementing and evaluating individual family support plans in consultation with early interventionists, other professionals and community agencies.

A degree in Physiotherapy with current registration with the College of Physiotherapists of Ontario is required. Must have 2 years paediatric experience preferably in a community environment.

**EARLY INTERVENTIONISTS - Competition #97-097**  
(Casual/On-call/Temporary)  
\$15.60 - \$18.15 per hour

Provides assistance to families of children with special needs (birth to school age) for children enrolled in Early Intervention Services of York Region. You are responsible for the development and implementation of individual family support plans, working in a team environment within the home and in preschool and child care programs.

A Diploma in Early Childhood Education and a Resource Teacher Certificate or degree in a related program such as social work or child and family studies is required. One year experience working in a family centred model using individual family support plans as well as two years experience in a paediatric integrated child care setting is required.

These are CUPE Local 4900 unionized positions. Please submit applications on or before July 4, 1997 to the address below. We thank all applicants for their interest, but advise that only those selected for an interview will be contacted.
