Large selection of high quality tiles at Northern Tile & Marble Ltd.

Northern Tile & Marble Ltd. in Richmond Hill carries a huge selection of top-of-the-line tiles for every room of your house.

"We have a bigger showroom now, with a bigger selection of tiles," said Jan Podolak, who opened the store four-years ago.

Ninety per cent of the the store's tiles come from Italy, while the remainder come from Brazil, Japan and Turkey.

"(We carry) Casa Dolce Casa. It comes in 50 different shades. You won't find the same two tiles. We also carry a nice line of Eco and a huge selection of country-style rustic tiles."

Rustic tiles don't have the shiny, glazed look that most of the tiles have, he said.

Northern Tile and Marble also carries outdoor, frost-resisting tiles for porches and balconies.

floor is made up of 16-square foot sections of different styles of tiling.

"Sometimes people have trouble (seeing the end result). This way people will know what it looks like," he said.

Once the tiles have been purchased, staff will come to the client's house and install the tiles or, if the client prefers to do it himself, staff will take the required time to explain how to do it.

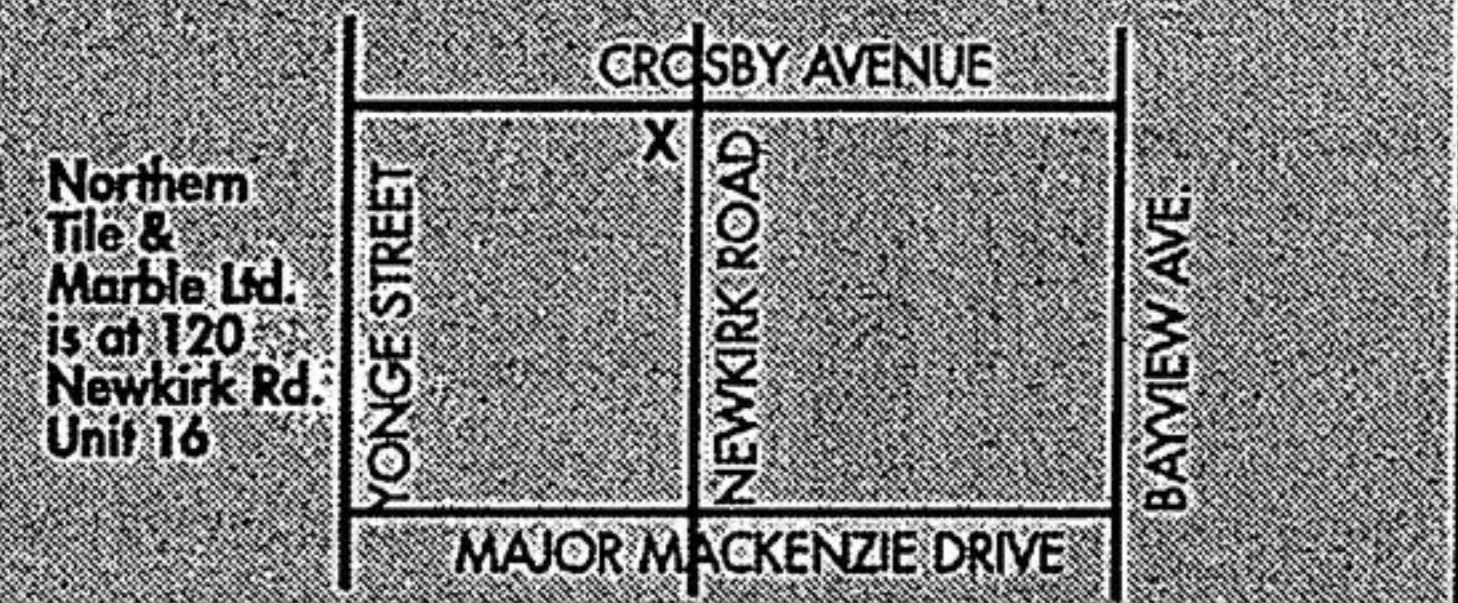

And to help the do-it-yourselfers, the company carries a variety of installation and maintenance products.

Podolak, who installed all the marble at Embassy Suites Hotel, is also available to answer any question. And despite the high quality tiles, Northern Tile & Marble has a tile to fit every budget, he said.

And everyone walks away a satisfied customer.

"All our customers our very satisfied with our service, with our installation and with our advice."
