

Oak Ridges MP invites residents to apply for council

Bryon Wilfert, MP for Oak Ridges, has invited residents to apply to become members of the Riding Community Councils.

There will be three community councils established—one in Richmond Hill, one in Whitchurch-Stouffville and one in the part of Markham north of 16th Avenue.

The community council will be composed of 10 members.

To qualify for the council, an individual must be:

- A resident in the community for which he/she will be serving (i.e. a Richmond Hill resident will serve on the Richmond Hill Council)

- Be 18 years of age or older.

- Be prepared to devote two hours every three months to attend a meeting of the council.

- Members will provide input on issues affecting the riding, where the federal government plays a role, and will be able to comment on emerging issues to the member of parliament.

Applicants should note that there will be no remuneration for their participation, and that the council will be a non-partisan committee.

If interested, applicants are asked to apply in writing to: Imma Trozzolo, special executive assistant to Bryon Wilfert, MP, 225 East Beaver Creek Road, Suite 231, Richmond Hill, Ontario, L4B 3P4

All applications must be submitted by Monday, Aug. 25.

The first meeting of the community councils will occur in early October. Applicants are asked to provide reasons why they would like to participate and some information about themselves.

For further details, contact Bryon Wilfert at the above address, or call his office at (905) 709-5905.

Wilfert, who served as a member of Richmond Hill Council for 12 years, resigned after winning the new federal riding of Oak Ridges on June 2, 1997.

As directed by the Municipal Act, Richmond Hill Council was required to fill the vacant seat for the balance of the term of office, ending on Nov.

30, 1997.

Seven people applied for the vacant position, which eventually went to Elizabeth Wilfert, the MP's wife. Council had earlier

decided that the new member should not be one who will be running for office in the next municipal election. Elizabeth Wilfert had declared that she is not running in the pend-

ing election. She has been active in the Richmond Hill community for the past 16 years, and served as a volunteer for a number of local events.
