

Unwanted vehicles can be donated to Kidney Foundation

Local residents are giving their cars away to The Kidney Foundation of Canada. Why? Because it's a great way to turn an unwanted vehicle into a tax deduction. People

wishing to rid themselves of a vehicle can donate them to the Kidney Car Program. The program accepts cars, trucks, vans, motorhomes, boats, motorcycles and even snowmobiles whether run-

ning or not. The Ontario Automotive Recyclers Association (O.A.R.A.) will pick it up on behalf of the foundation completely free of charge and will dispose of it in an environmentally friendly

method. Based on the vehicle's age and condition, the donor will receive a tax receipt for a minimum of \$75 or for the value of the vehicle, whichever is greater. For info, call 1-800-565-5511.
