

# Stouffville Chrysler Leases... Up front Deals for Up front people

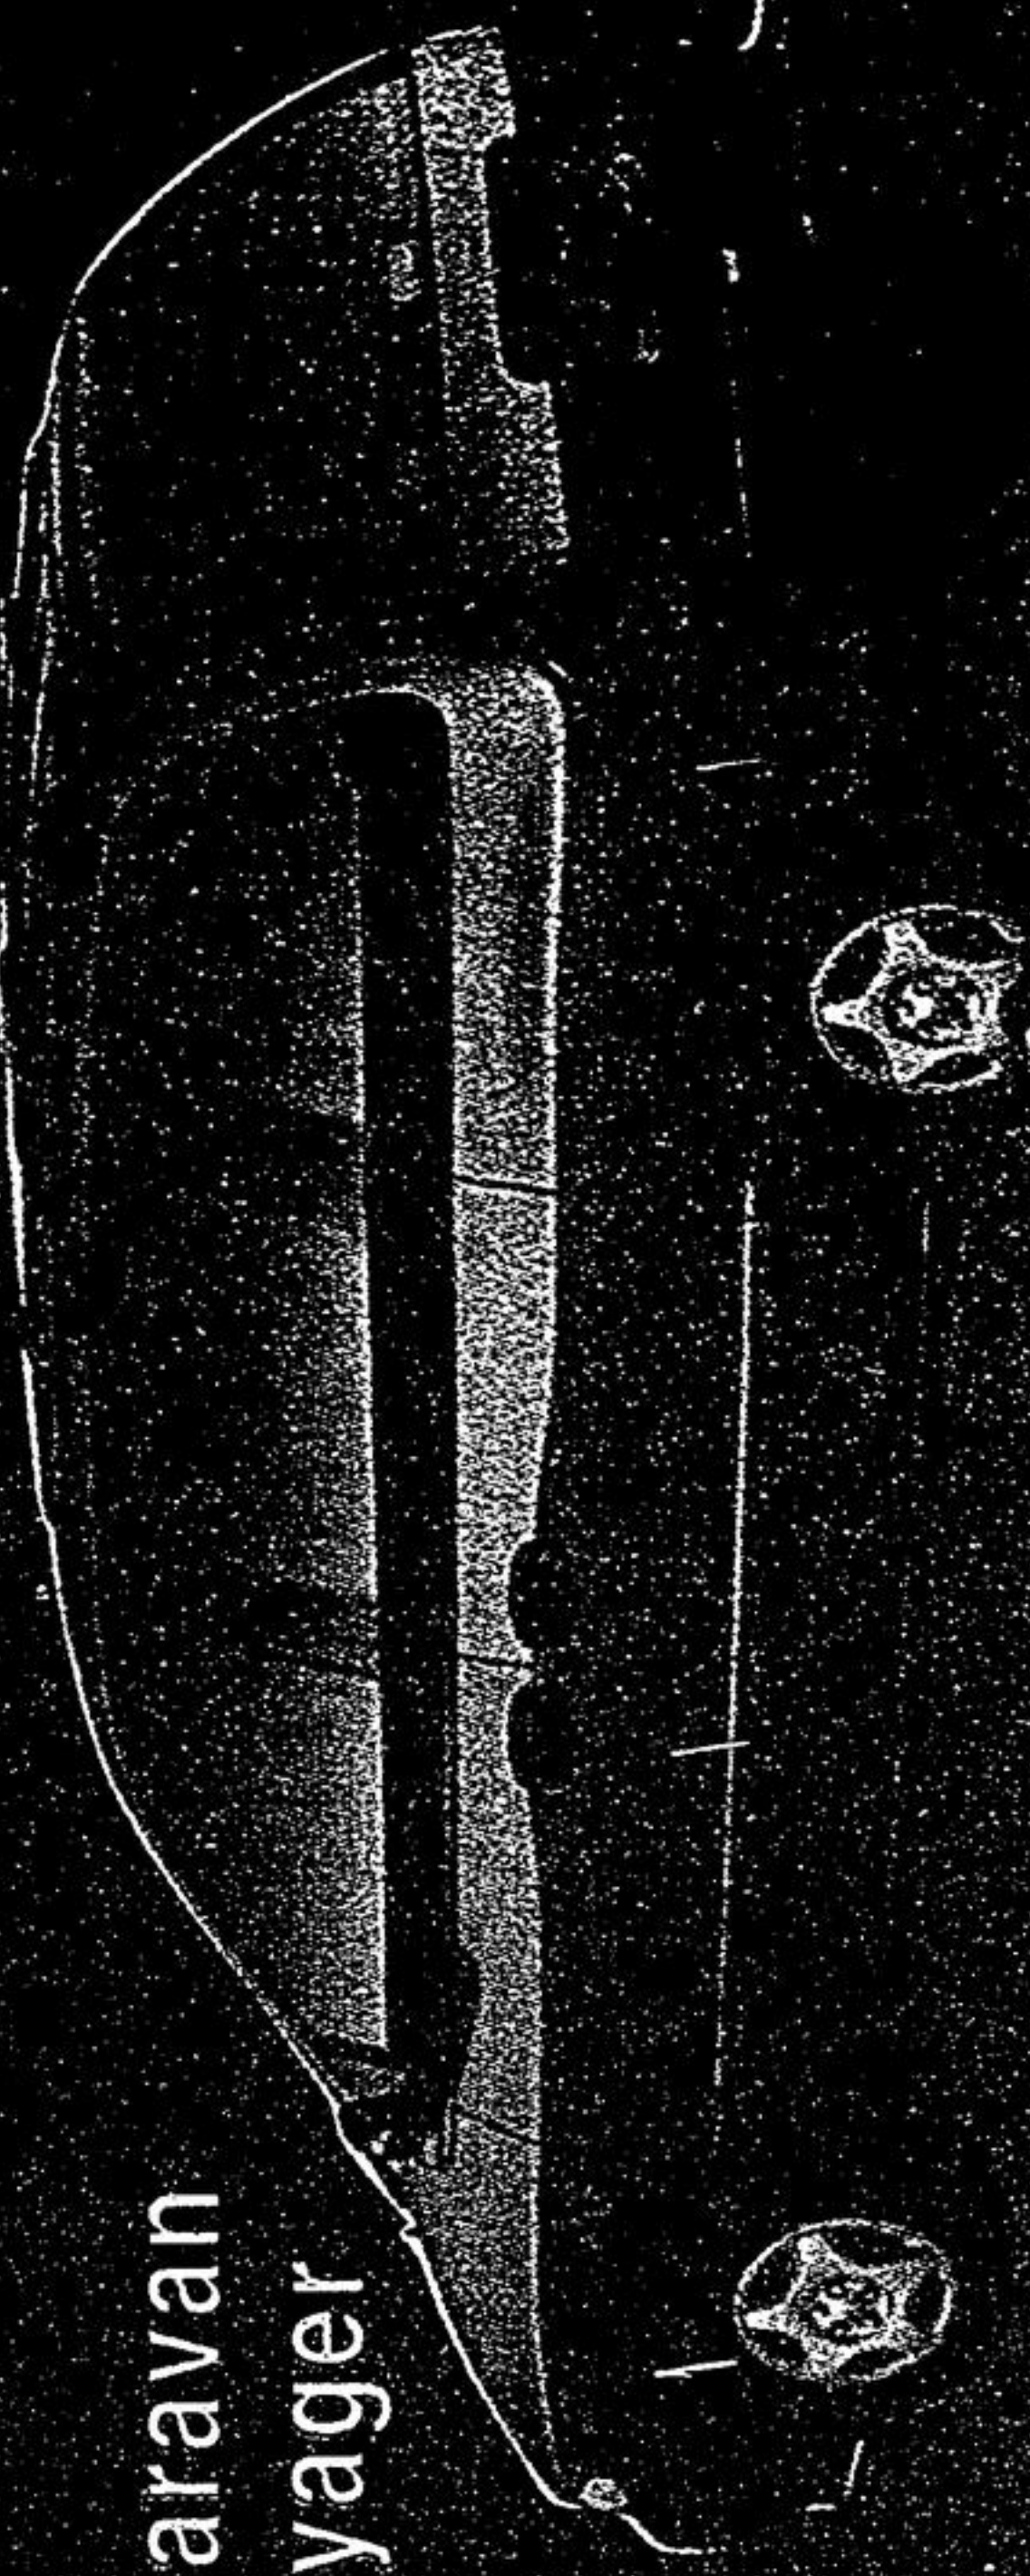

You shouldn't need an MBA just to get a fair deal on your vehicle lease. At Stouffville Chrysler, we don't assume every household has an electron microscope to read the tiny print hiding the huge down payment required to get what APPEARED TO BE a miracle lease rate. At Stouffville Chrysler we're different... our deals are simple and they inform you of all the details in BOLD print. Our sales are hitting new records every month... Up-front Deals with low down payments are the secret. (anyway, complicated deals confuse the sales staff)
