

# How you find a great real estate agent in York Region

Right now a Royal LePage sales rep is pulling out all the stops to help a family near you sell their home. That could mean creating an ad for the real estate papers, producing a sell sheet for the open house, putting their home on our web site ([www.royallepage.ca](http://www.royallepage.ca)) and notifying potential buyers via our national relocation program. Not to mention the stopping power of that sign on the front lawn.
