SUCCESS MONTHLY

Your connection to the Region's thriving business community

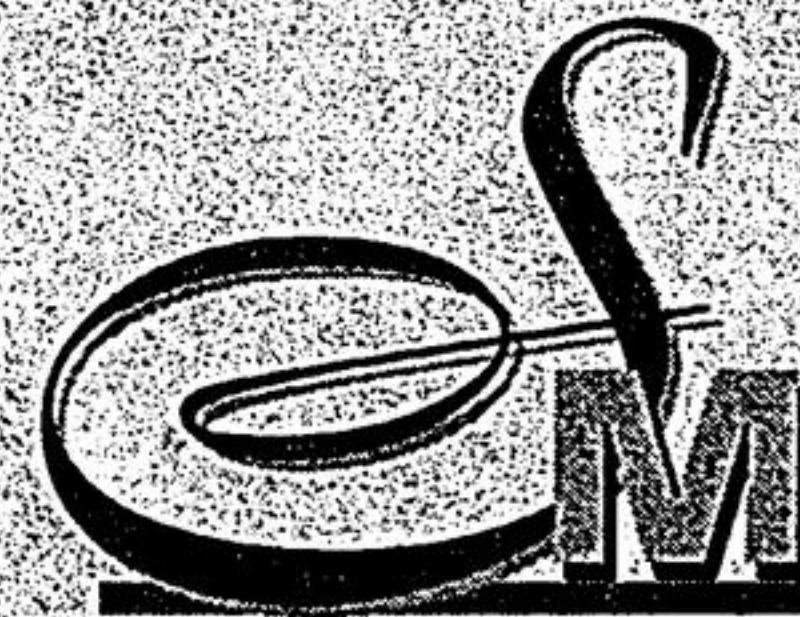

SUCCESS MONTHLY is a newsmagazine created to serve York Region's rapidly growing business community. Success Monthly caters to the interests and concerns of local business people, decision makers and other high achievers.

All will find something valuable in an editorial lineup that includes sales training, motivational issues, presentation skills, local business profiles and financial advice.

Produced by the publishers of Metroland's York Region newspapers, Success Monthly provides advertisers with the perfect medium to target the 'business' and 'professionals' market.

The circulation of 20,000 will reach businesses throughout York Region, allowing you to get your message out at the most affordable rate. And to achieve quality results, our experienced advertising representatives will ensure your message effectively conveys your products or services to our readers.

To further your success, be sure to include Success Monthly in your advertising plan.
