**SUCCESS  
 MONTHLY**

Your connection to York Region's thriving business community

SUCCESS MONTHLY is a newsmagazine created to serve York Region's rapidly growing business community. Success Monthly caters to the interests and concerns of local business people, decision makers and other high achievers.

All will find something valuable in an editorial lineup that includes sales training, motivational issues, presentation skills, local business profiles and financial advice.

Do you have a business news tip, story idea, newsworthy event, or a unique product or service? Then call Neil Moore at The Era Banner.
