

**It's the year 2002.  
You're still paying  
1997 rates  
for natural gas.  
Now that's progress.**

*Guaranteed Fixed Price  
for 3 or 5 years, plus  
20% off your guaranteed  
rate for the first year.*

Progress is exactly what Energy Plus, the new natural gas service from the TransCanada PipeLines Group is all about. With Energy Plus, you get a Guaranteed Fixed Price on natural gas for the next 3 or 5 years, whichever you choose. We call it Today's Rates Tomorrow™. Plus, now when you switch, you'll save 20% off your guaranteed rate, every month for your first year.

**Experts predict 26% to 38%  
natural gas price increases**

The fact is, a great natural gas rate today is *not* enough to protect you against the price increases of 26% to 38%\* experts are predicting over the next five years. Ongoing deregulation of the natural gas market means you can now

choose the company that supplies your natural gas to your local utility company.

With Energy Plus, you'll have no worries about predicted price increases. No surprises on your gas bill. Just one great natural gas rate for the next 3 or 5 years, your choice. Your Energy Plus service comes with the 40-year reputation

of the TransCanada PipeLines Group, a recognized leader in the energy industry.

**Switching is easy**

Choosing the Energy Plus service simply means that your local utility company will receive natural gas from the TransCanada PipeLines Group and deliver it directly to your home. There will be no new pipelines, second bills or service interruptions.

Protect yourself against future gas increases. Guarantee your 3 or 5-year rate today. Watch your mailbox. Or call **1-888-642-5115** for Today's Rates Tomorrow, with the Energy Plus service from the TransCanada PipeLines Group.
