Evans Consoles Inc. is a Calgary-based company recognized internationally as a leading expert in control centre design, consoles and video display walls. We are an entrepreneurial company enjoying steady growth, and actively pursuing new opportunities in the areas of public access terminals and trading desks. We offer an exciting career opportunity for:

METAL SHOP FOREMAN (M/F)

We are seeking a highly motivated, experienced individual to manage our Metal Shop Operations, including sheet metal fabrication, welding, machining, sheet metal finishing and other specialties. The successful candidate will oversee the day-to-day activities of skilled work team, plan and implement changes related to growth, ISO 9001 quality initiatives, new processes and vertical integration.

Applicants must be graduates of a relevant trade program, with additional supervisory/management courses an asset. Possessing solid supervisory experience with groups of at least 15 employees, you are an organized problem-solver who is experienced in setting priorities and allocating resources in an engineered-to-order environment at the shop floor level.

If you believe you have what it takes to succeed in a constantly evolving, results-oriented environment, please forward your resume to:
