Happy 40  
Something Birthday  
Rick Leblanc

For your birthday I could have just handed you a present but... What fun would that be! So I made up a game called **"Find Your Present"**  
Clue #1 - Go up and turn in a direction that rhymes with bright (just like your wife)  
Clue #2 - Take 3 giant long legged steps and turn left.  
Clue #3 - Walk to the part of the room that covers your birthday suit and look down.  
**Surprise!**  
Happy Birthday - Love always, Ruth

## Personal Prayer to The Holy Spirit

Holy Spirit Thou make me see everything and show me the way to reach my ideal. You who give the divine gift to forgive and forget the wrong that is done to me and who are in all instances of my life with me. I, in this short dialogue, want to thank You for everything and confirm once more that I never want to be separated from You no matter how great the material desire may be. I want to be with You and my loved ones in Your perpetual glory. Amen. Person must pray this 3 consecutive days without stating one's wish. After the 3rd day your wish will be granted no matter how difficult it may be. Promise to publish this as soon as your favour has been granted.
