660 card of thanks

Words cannot express the feelings in our hearts for family, friends, neighbours and all who were with us during the most difficult time in our lives; the loss of our beloved son, brother and grandson Stephen.

Your cards, letters, comforting words, flowers and many acts of kindness will never be forgotten.

"I'll lend you for a little while a child of mine" God said; For you to love, the while he lives, and mourn for, when he's dead. It may be one or two years, or forty two or three, But will you, till I call him back, take care of Him for me?

He'll bring his joys to gladden you, and should his stay be brief, You'll have his lovely memories as a solace for your grief. I cannot promise he will stay, since all from Earth return. But the lessons taught below - I want this child to learn.

I've looked the whole world over, In search for teachers true, And from the things that crowd lifes lane - I have chosen you. Will you give him all your love? Nor, think the labor vain? Nor hate me when I come to take this lent child back again?

I fancied that I heard them say "Dear Lord thy will be done" For joys this child will bring - The risk of grief we'll run. We will shelter him with tenderness - We'll Love him while we may, And for the happiness we've known, forever grateful stay. But should your angels call for him - much sooner than we planned. We'll brave the grief that comes and try to understand. Paul, Betty & Bryan Sambrook
