Citizens' work for new pool appreciated

Dear Editor,

I was a member of the original group of citizens in Whitchurch-Stouffville who were promoting the idea that we needed an indoor pool for our community.

Considerable time was spent by that group, and then earlier this year the town decided to establish its own sub-committee of the

LETTERS

parks and recreation advisory committee to explore the idea further.

I have continued to follow, and participate in the discussion groups that have been held. It was obvious from the public group dis-

cussions that a pool is long overdue. The committee's final report was comprehensive and did, in fact, say that we are in need of an indoor pool for many reasons, and that we should be starting the next phase of the process to eventually have a pool built by the end of this century.

If only this had all been done much earlier we might be looking at a new building now.

I would like to express my personal thanks to everyone on the committee who spent considerable time examin-

ing the issues related to pools. The notion of a pool for this community has consumed so many hours, days, and years with no successful conclusion yet.

We hope that the new council will work as quickly on the development of this facility, as the present council has done with our second ice pad.

So a big thank you to everyone who has worked on this over the last several months. Hopefully your efforts will not be in vain!

Student music concert was traditional success

Dear Editor,

On behalf of St. James Presbyterian Church, Stouffville, I wish to thank the many people responsible for the very successful 'Student Music Scholarship Concert' held at Stouffville District Secondary School, Oct. 24.

Thanks also to the companies, service clubs and individuals who, through their donations, helped raise more than \$2,700, all of which will be divided among the six participating schools.

Donors were The Latham Foundation; The Canadian Progress Club; The Stouffville Lions Club; The Ballantrae and District Lions Club; The Royal Canadian Legion, Branch 495; The Stouffville Kinsmen Club; Vern Davies, Cedar Beach, Musselman's Lake; Harriet Whetstone, Parkview Home; the late Wm. Hood, Lemonville; Ian MacKenzie of Stouffville's Canadian Tire; Houston Ford-Mercury; Timber Creek Golf; Tim Hortons; the A&P and The Mayor's Youth Fund.

Close to 600 students participated, performing before an audience of more than 800 appreciative parents.

This concert has become a tradition here. With the continued co-operation of everyone involved, the committee hopes it can long continue.
