Halloween is tomorrow night and kids everywhere are starting to get excited. When else can you dress up as your dream character, stay out late and collect plenty of free candy? Add some spooky decorations to the mix and you've got a recipe for fun and excitement. There are lots of fabulous picture books that celebrate the holiday, from simple board books for the little ones and scary stories for the more seasoned trick-or-treaters. Here are a few recommended titles. Ask at your local bookstore or public library.

The Five Little Pumpkins

Illustrated by Iris Rynbach

A humorous full-color illustrated edition that complements the popular finger play about the adventures of the five little pumpkins who are supposed to be sitting on a gate but instead enjoy a wild and wacky Halloween. A

good read for the first-time trick or treater. (Ages 3-5)

Rattlebone Rock

By Sylvia Andrews; Illus. by Jennifer Plecas

A classic Halloween picture book for all ages, this story combines a rhythmic, rollicking verse with humorous illustrations to deliver a boisterous Halloween celebration. Cavorting ghosts, wailing banshees, dancing cats and local townspeople join together in this all-night spooky shindig. A wonderful story. (Ages 3-8)

3-D Puzzle Storybooks: The Haunted House; The Ghost Ship

By Fiona Conboy

Two great little activity books with mazes, search-and-finds, matching games and more! Included with each book is a pair of 3-D glasses to use throughout the adventure. A great deal at \$8! (Ages 8-12)

I Spy Spooky Night

Photographs by Walter Wick; Riddles by Jean Marzollo

I spy three pumpkins, a warning sign too. Spooky riddles are fun to do! Another fabulous effort from the "I Spy" team of Wick and Marzollo whose I Spy Fantasy and

I Spy School Days were so popular. This one invites the reader to enter a haunted house for a spooky session of I Spy. As they solve the riddles, the readers master the fears of night, one page at a time until the last page when dawn encroaches. A great read for any time of year. (Ages 4-12)

Franklin's Halloween

By Paulette Bourgeois; Illus by Brenda Clark

All the elements are here - dressing up, a Halloween Party complete with bobbing apples, trick-or-treating and a spooky haunted house. Everyone's favorite Canadian Turtle, Franklin, learns all about Halloween and a lesson on the value of friendship as well. Beautiful illustrations and gentle storytelling continue to make Franklin a favourite for all. (Ages 3-7)

A great little book for Halloween costume ideas is **Easy Halloween Costumes For Children: 60 costumes** plus last minute costumes By Leila Albala. Available at most public libraries this handy little book includes patterns and ideas for even the most imaginative costume idea.
