

Victorian times brought to life in Stouffville

At right, Nora Richardson (right) shows Jean Preston her method of knitting a design for an upcoming craft show. Below, an up-close view of Richardson at work. The craftmakers, members of Friends of the Museum, are hosting a Victorian Tea on Nov. 28 at the Whitchurch-Stouffville Museum in Vaudorf. They will offer a wide variety of crafts, Christmas tree ornaments and decorations, as well as Victorian-style snacks and deserts.
