DURHAM ACCESS TO CARE
DATC is an independent corporation which manages care in the home and co-ordination of placement services throughout the Region. Funded by the Ministry of Health, with a \$30 million annual budget, it is the third largest provider of health care in Durham.

DATC is governed by a volunteer Board of Directors. We are currently seeking individuals interested in joining our Working Committees with a view to eventually serving on the Board.

We require people with backgrounds in one or more of three areas;

- consumers of the health care system
- providers of health care management, information systems, human resources or accounting

In selecting volunteers, a determined effort is made to represent the geographic areas of Durham.

If you are interested in this opportunity for service, please contact Doug Hird, Board Secretary, at (905) 668-9225 for further information.

GUEST SERVICE ATTENDANTS

*Do you truly care about customers?
Do you believe that service excellence is the key to retailing success?
Are you a high achiever who wants to implement your ideas?*
Petro-Canada has opportunities in our retail "store" for hands-on guest service attendants to utilize your leadership, interpersonal and communication skills.

If you are highly motivated, a strong team player and like to work with people, this could be your opportunity.

We are building an innovative and successful organization with positions available at our new Buttonville site at 16th Avenue and the 404. We would like to talk to you about being part of our future.

Please fax your resume to: 905-509-2683

515 skilled & technical help

Messier-Dowty, an international company with operations in North America, Europe, Asia Pacific, is a world leader in the design development, manufacture and support of integrated landing gear systems. We take pride in creating innovative solutions to meet our customer's needs for high quality, performance and reliability, and currently seek highly skilled individuals to join our Ajax facility.

CNC Machinists

These immediate openings in the areas of CNC Lathes and CNC H/V machining centres require the expertise of Journeyman Machinists with a minimum 5 years of experience. Your familiarity with machining techniques for high-strength aerospace materials is complimented by the ability to interpret manufacturing drawings and instructions and operate CNC machines in a quality-oriented cellular environment. These positions will involve shift work.

If you seek new challenges and look forward to an excellent compensation package that matches your contributions, please forward your resume, quoting Reference #17-97, to: Messier-Dowty Inc., Human Resources, 574 Monarch Avenue, Ajax, Ontario, L1S 2G8. Fax: (905) 683-2863.
