DURHAM ACCESS TO CARE
 DATC is an independent corporation which manages care in the home and co-ordination of placement services throughout the Region. Funded by the Ministry of Health, with a \$30 million annual budget, it is the third largest provider of health care in Durham.

DATC is governed by a volunteer Board of Directors. We are currently seeking individuals interested in joining our Working Committees with a view to eventually serving on the Board.

We require people with backgrounds in one or more of three areas;
 consumers of the health care system
 providers of health care
 management, information systems, human resources or accounting

In selecting volunteers, a determined effort is made to represent the geographic areas of Durham.

If you are interested in this opportunity for service, please contact Doug Hird, Board Secretary, at (905) 668-9225 for further information.
