JARVIS, Harold - In loving memory of a dear Husband, Father and Grandfather who passed away December 17th, 1995. It's sad to walk the road alone, Instead of side by side, But to all there comes a moment, When the way of life divides, You gave us years of happiness, Then came sorrow and tears, But you left us beautiful memories, We will treasure through the years, Sadly missed by Madeliene, Doreen, Gary and children.

DURHAM ACCESS TO CARE

DATC is an independent corporation which manages care in the home and co-ordination of placement services throughout the Region. Funded by the Ministry of Health, with a \$30 million annual budget, it is the third largest provider of health care in Durham.

DATC is governed by a volunteer Board of Directors. We are currently seeking individuals interested in joining our Working Committees with a view to eventually serving on the Board.

We require people with backgrounds in one or more of three areas:

- consumers of the health care system
- providers of health care
- management, information systems, human resources or accounting

In selecting volunteers, a determined effort is made to represent the geographic areas of Durham.

If you are interested in this opportunity for service, please contact Doug Hird, Board Secretary, at (905) 668-9225 for further information.
