

Spend Boxing Day on Main Street Unionville

Shopping on Boxing Day is a holiday tradition that many people don't want to miss. While they may not enjoy the number of people who swarm to the local mall, for many, the deals are just too good to pass up. This year, instead of spending the day cooped up inside, head down to Main Street Unionville and enjoy the deals and the sunshine.

With more than 60 stores, restaurants and services will be legally open for business on Boxing Day.

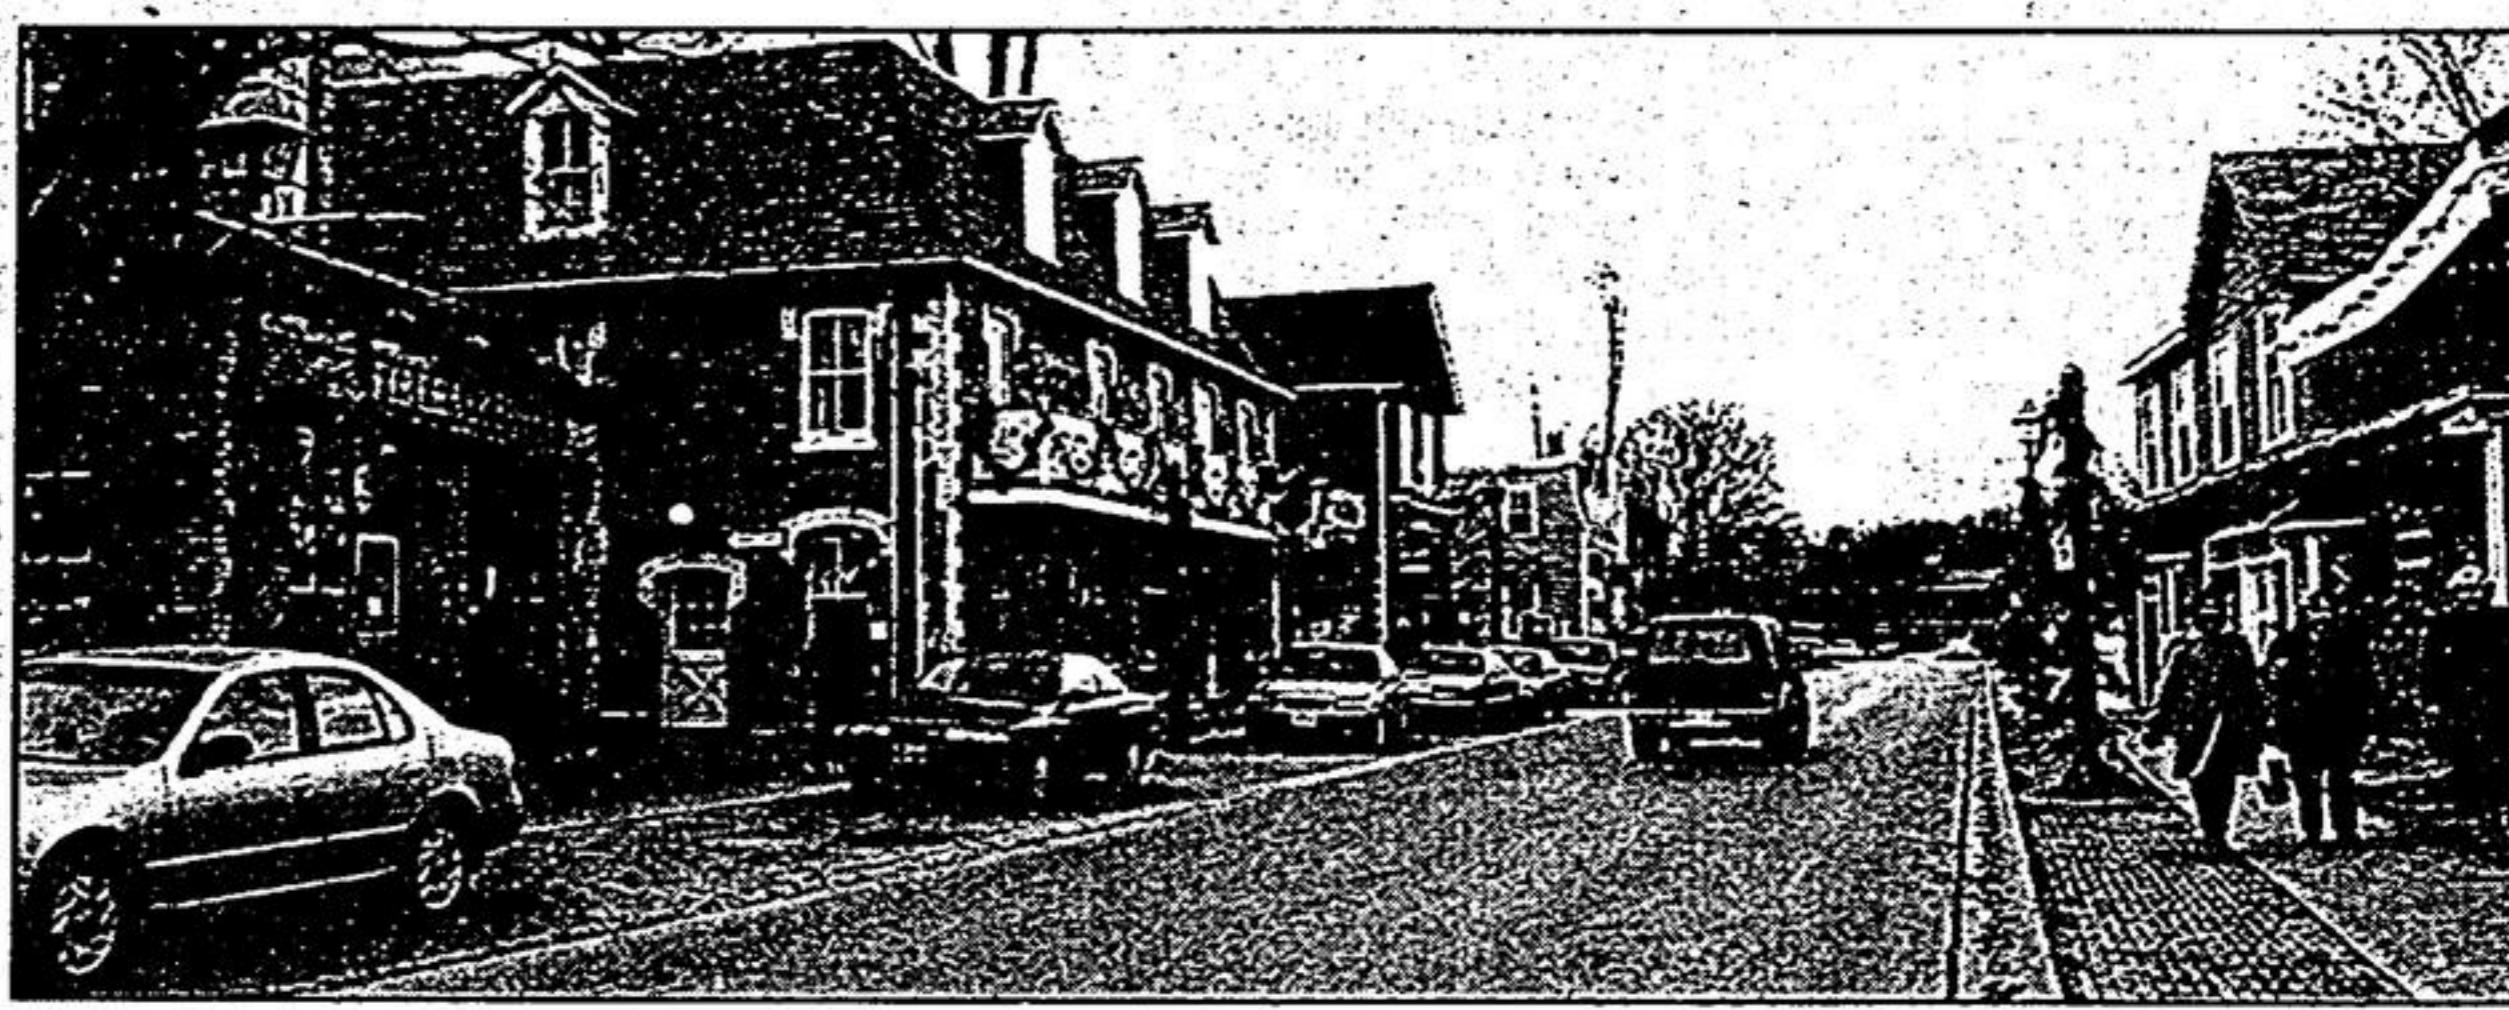

Stores offer unique merchandise, yet at very competitive prices. The stores also offer many things that can be found at the local mall including decorations, fashion, sports wear and outdoor clothing.

Free parking is available to people who want to spend the day going through the shops.

And when people need a break from shopping, they can relax with a steaming cup of coffee at one of the coffee shops or have

something to eat at one of the many restaurants.

Stores will be open from 10 am to 6 pm on Boxing Day.
