Give smoke alarm and save a life

The Fire Marshal's Public Fire Safety Council and the Credit Union are Partners in Safety and encourage everyone to Give a Gift to Save a Life this year for Christmas.

Buy a ten-year smoke alarm and a plug-in carbon monoxide detector for someone you care about and it could save their life.

The alarm and detector mean no more bother with batteries and proceeds go to the local fire department to assist in public fire prevention education and to the Arson Prevention Program for Children.

The price for a ten-year smoke alarm is \$18; plug-in CO detector is \$45 and the package is \$60. Taxes included.
