*Spirit of Christmas*  
**Gifts shouldn't be visible from outside**

The holidays are suppose to be time to get together with friends and family and have fun time.  
To keep the holidays safe, DirectProtect offers the following tips:

- Make sure wrapped gifts are not visible to burglars from exterior windows.
- Do not dispose of large boxes from new gifts and appliances on the curb outside your house for garbage pick-up.
- This can alert burglars of your new assets and tempt them to break in. Cut up boxes into small pieces and do not place them on the curb until the morning of the first garbage day after Christmas.
- Install motion sensitive lights equipped with photo cells around the perimeter of your house, especially around entry points.
- Do not obscure your street address with holiday decorations or wreaths.
- Make sure ladders used to hang outdoor Christmas lights are not readily available to burglars. Trim outside tree branches so they do not provide climbing access to upstairs windows or obscure view of your house from the street.

**Many Thanks**  
for your patronage

Best Wishes for the Holiday Season

If you are away from home over the holidays:

- Ensure that entry points are secure: lock garage, exterior doors and windows. Secure sliding glass doors with a bolt lock to prevent doors from being slid open or lifted out of their tracks.
- Make sure your home looks occupied - install timers on lights and radios in several rooms and program them to go on and off at different times.
- Inform a trusted neighbour of your departure and return dates. Ask them to park their car in your driveway, put out a garbage bag on garbage day, pick up your mail and newspapers daily as well as shovel the driveway and walk.
- Store your valuables in a safe deposit box.
- Advise your children not to tell many people that their family will be away for the holidays.
- Do not advise taxi or limousine drivers that you will be away from home for an extended period of time. Write your business address instead of your home address on luggage tags.
- If something seems wrong in your home when you return from holiday, call the police.
