Sam and his son Scott have been cleaning heating and air conditioning ducts for five years and they advise anyone who has not had them cleaned for a long time to get it done as soon as possible.

"Dust will not only affect your health but ruin furniture and draperies," says Sam. "Having your ducts cleaned cuts down on cleaning and adds life to your furniture, carpets and drapes."

It's a procedure that takes very little time compared to the amount of time clients enjoy clean, dust-free air in their homes and it's further beneficial in that it reduces heating and cooling costs.

Sam also provides chimney sweeping at competitive prices with service that is always friendly and courteous. Caps and screens are also available to keep out unwanted pets. Presently, Gardiner's Duct Cleaning is offering a **Winter Special** featuring a hook-up for \$39.95, plus \$5.00 per vent, with a minimum of 12 vents and chimney sweeping for \$59.95.
