National Accounts Assistant Part-Time

We require a well-organized person to assist the National Accounts Manager with streamlining and maintaining a reporting system for the retail channel. This job is part-time, 16 hours per week.

The job involves compiling and processing sales and marketing data as well as creating and distributing sales reports. Maintaining files and databases of industry and competitor products pricing and product information is included in this role. The incumbent is also expected to assist in organizing trade shows as well as attending shows and visiting customer locations in a merchandising capacity.

Applicants must have a college diploma in business or marketing as well as strong P.C. skills, including Microsoft Office and Windows 95.

Interested candidates should forward a resume to:
