HOME OF THE WEEK

This magnificent mansion is located at Markham's most prestigious area -- Cachet-Jennings gate neighbourhood (16th Ave. and Warden Ave.) where all the acre lot estates are. It is on a child-size cul-de-sac street. From the main floor and second floor big windows, patio doors, and large balconies, you can overlook its own private tennis court and backyard. This custom-designed and built house has 5,700 sq. ft. living-area, complete with a professionally finished large walk-out basement. The grand marble foyer is as big as 26 ft x 18 ft. All windows and doors are finished with the best wide oak trim. From the family-room, and the basement recreation-room, you can step out to a large 2-storey solarium. The living-room is also 2-storey high with floor to ceiling book-match marble fireplace. Study-room is formal with solid oak walls. Master bedroom is finished with its own brick fireplace, sauna, jacuzzi, laundry chute and balconies. The asking price is \$799,900.
