## Westwood Motors has expanded to serve their customers better

Westwood Motors has moved. Now located at 9833 Hwy 48, the company that is known in Markham for its honest and reliable service, can now provide faster more efficient service to its customers.

It also allows people to relax in a comfortable and home-like reception area while their vehicle is being repaired.

Westwood Motors also provides plenty of toys, books and games to help keep the children occupied.

Owners Robert Sager and Ajay Rajput put customers at ease with their friendly manner and no-pressure attitude.

"We tell people what their car needs and what can wait with no side-stepping. There is no pressure.

Using the latest tools and technology, Westwood Motors is able to service domestic, import, European and British cars.

They offer a 10 per cent discount to seniors and 24-hour towing. Customers who have three oil changes done at the shop will receive their fourth one free.

"We have the latest technology, but with service of an old-fashioned garage. (Customers) can relax knowing that they will be taken care of."

In celebration of their new location (now an impressive 3,600-square feet), the nine-year-old company is offering its customers a contest.

Open until March 21, customers can win

an oil change for a year (four oil changes) and one of two \$100 service gift certificates.

Customers will receive one ballot for every \$50 worth of service.

Westwood Motors is open Monday to Friday from 8 am to 6 pm and Saturdays from 8 am to 2 pm.

Drop by and see the way service should be.
