

AT CHRYSLER, WE BELIEVE SUCCESS
MEANS ALWAYS REINVENTING YOURSELF.

Stouffville Chrysler Inc. is proud to introduce
its new President, Peter Burdon.

Over the years we at Chrysler have built a reputation based on innovation and forward thinking. Our name has become synonymous with the reinvention of the car, truck and minivan.

But it does not stop there. For although the changes in our vehicles may be more noticeable, we are also changing the way in which we service you, the customer. Because we want you to be Customer One

each and every time you walk through the door of one of our dealerships.

And we are doing this through expanded service, knowledgeable salespeople and by entrenching ourselves in the roots of the community.

And that is why we are proud to introduce Peter Burdon as the new President of Stouffville Chrysler Inc. Because it is one more way in which we are changing to better service you.
