

Volunteers needed

- The Lung Association of York Region needs enthusiastic and energetic health promotion attendants in all areas of the region to set up and monitor health fair displays in companies, community centres, malls and schools. If you have an interest in health issues, help for four to five hours, flexible weekdays and weekends.
- The Canadian Cancer Society needs canvassers and helpers in all areas of York Region to help with the annual Daffodil Campaign on April 3 and 4. Drivers needed to take patients to and from treatment centres are also needed in all areas.
- The Children's Aid Society of York Region urgently needs dependable volunteers, 18 years and older, to be a special friend and role model to a youth in the care of the society. If you enjoy children, are self confident and can maintain confidentiality, befriend a needy youth. Male volunteers are especially needed.

For these and other volunteer positions in York Region, call Helpmate Volunteer Bureau at 905-884-3839 or 1-800-363-2412.
