Thinking Outside of the Box...

Accounts Payable Analyst

Reporting to the Accounts Payable Supervisor, you will be responsible for the coding and processing of approved expenses and employee invoices. Working in a team participative environment, you will research invoice discrepancies and inquiries from vendors and store personnel. Key to your success in this role will be 1-3 years of previous accounts payable experience, preferably in a retail environment. Analytical abilities are essential, as are excellent communication, organizational, and interpersonal skills. Completion of accounting or bookkeeping-related courses would be a definite asset.
