DON VALLEY NORTH LEXUS - TOYOTA ATHLETE OF THE WEEK

CARLIE STOKES

Carlie Stokes has been working her way up the ladder in the world of figure skating. The 14-year-old Unionville resident, who is a member of the Unionville Skating Club, recently achieved her triple gold back in December. Stokes earned her gold in skills, dance and freeskate.

And just recently, Stokes finished first in Senior Silver at the recent Metro East Interclub competition and with it gained entry to the upcoming Central Ontario Section Interclub Competition in Richmond Hill from March 6-8.

Ministry clamps down on hardwater anglers

Outdoors

Mike Hayakawa

The Ministry of Natural Resources conservation officers were quite busy on the frozen surface of Lake Simcoe during the weekends of Jan. 31 and Feb. 7.

During those two weekends, the ministry laid a total of 122 fishing-related charges and issued 125 warnings to anglers.

Among the charges laid included anglers fishing without a licence, fishing with extra lines and possessing whitefish over the allowed limit, which is two per day per angler.

"Lake Simcoe is renowned for its excellent fishing," said Tim Boyd, a ministry enforcement supervisor from the Aurora District. "We will continue to protect this important fishery by enforcing laws on catch and possession limits designed to maintain the

resource."

Aurora district conservation officers made contact with a total of 1,608 Ontario residents and 336 non-residents and checked them for compliance with the province's fishing laws.

The officers also issued warnings under the Motorized Snow Vehicle Act and laid charges for failure to wear a helmet or produce insurance.

The ministry will continue to monitor the lake for compliance with fishing laws.

The catch and possession limits for Division 5, which covers Lake Simcoe are: whitefish (two per day), lake trout (two per day), lake herring (six per day), perch (50 per day with a maximum possession limit of 100) and northern pike (six per day).

After March 15 all ice huts must be removed from the Lake Simcoe ice surface. The same day also represents the closing date for the lake trout, whitefish and lake herring season.

Peewee Stars make quick work of Oshawa to gain berth in provincial championships

The Stouffville peewee BB Stars girls' rep hockey team have earned the right to represent their region in the Provincial Championships in April.

The Stouffville girls advanced after sweeping Oshawa two straight in their best-of-three regional showdown.

Jessica Allen, Christine Hartnoll and Andrea Meyer each picked up a goal to lead the Stars to a 3-2 win in the first game at the Rec Centre.

Assists came from Melanie Paterson and Caitlyn Smart.

Meyer's game-winning goal came late in the final period.

Game two in Oshawa saw the Stars prevail 3-1 as Christina Davis, Paterson and Lauren Gainsbrook clicked for the winners.

Hartnoll, with a pair, Allen, Smart and

Becky Grieve earned assists.

Janet Harpley and Danielle Paterson were outstanding in the Stouffville net in both games.

Bantam Clippers in command

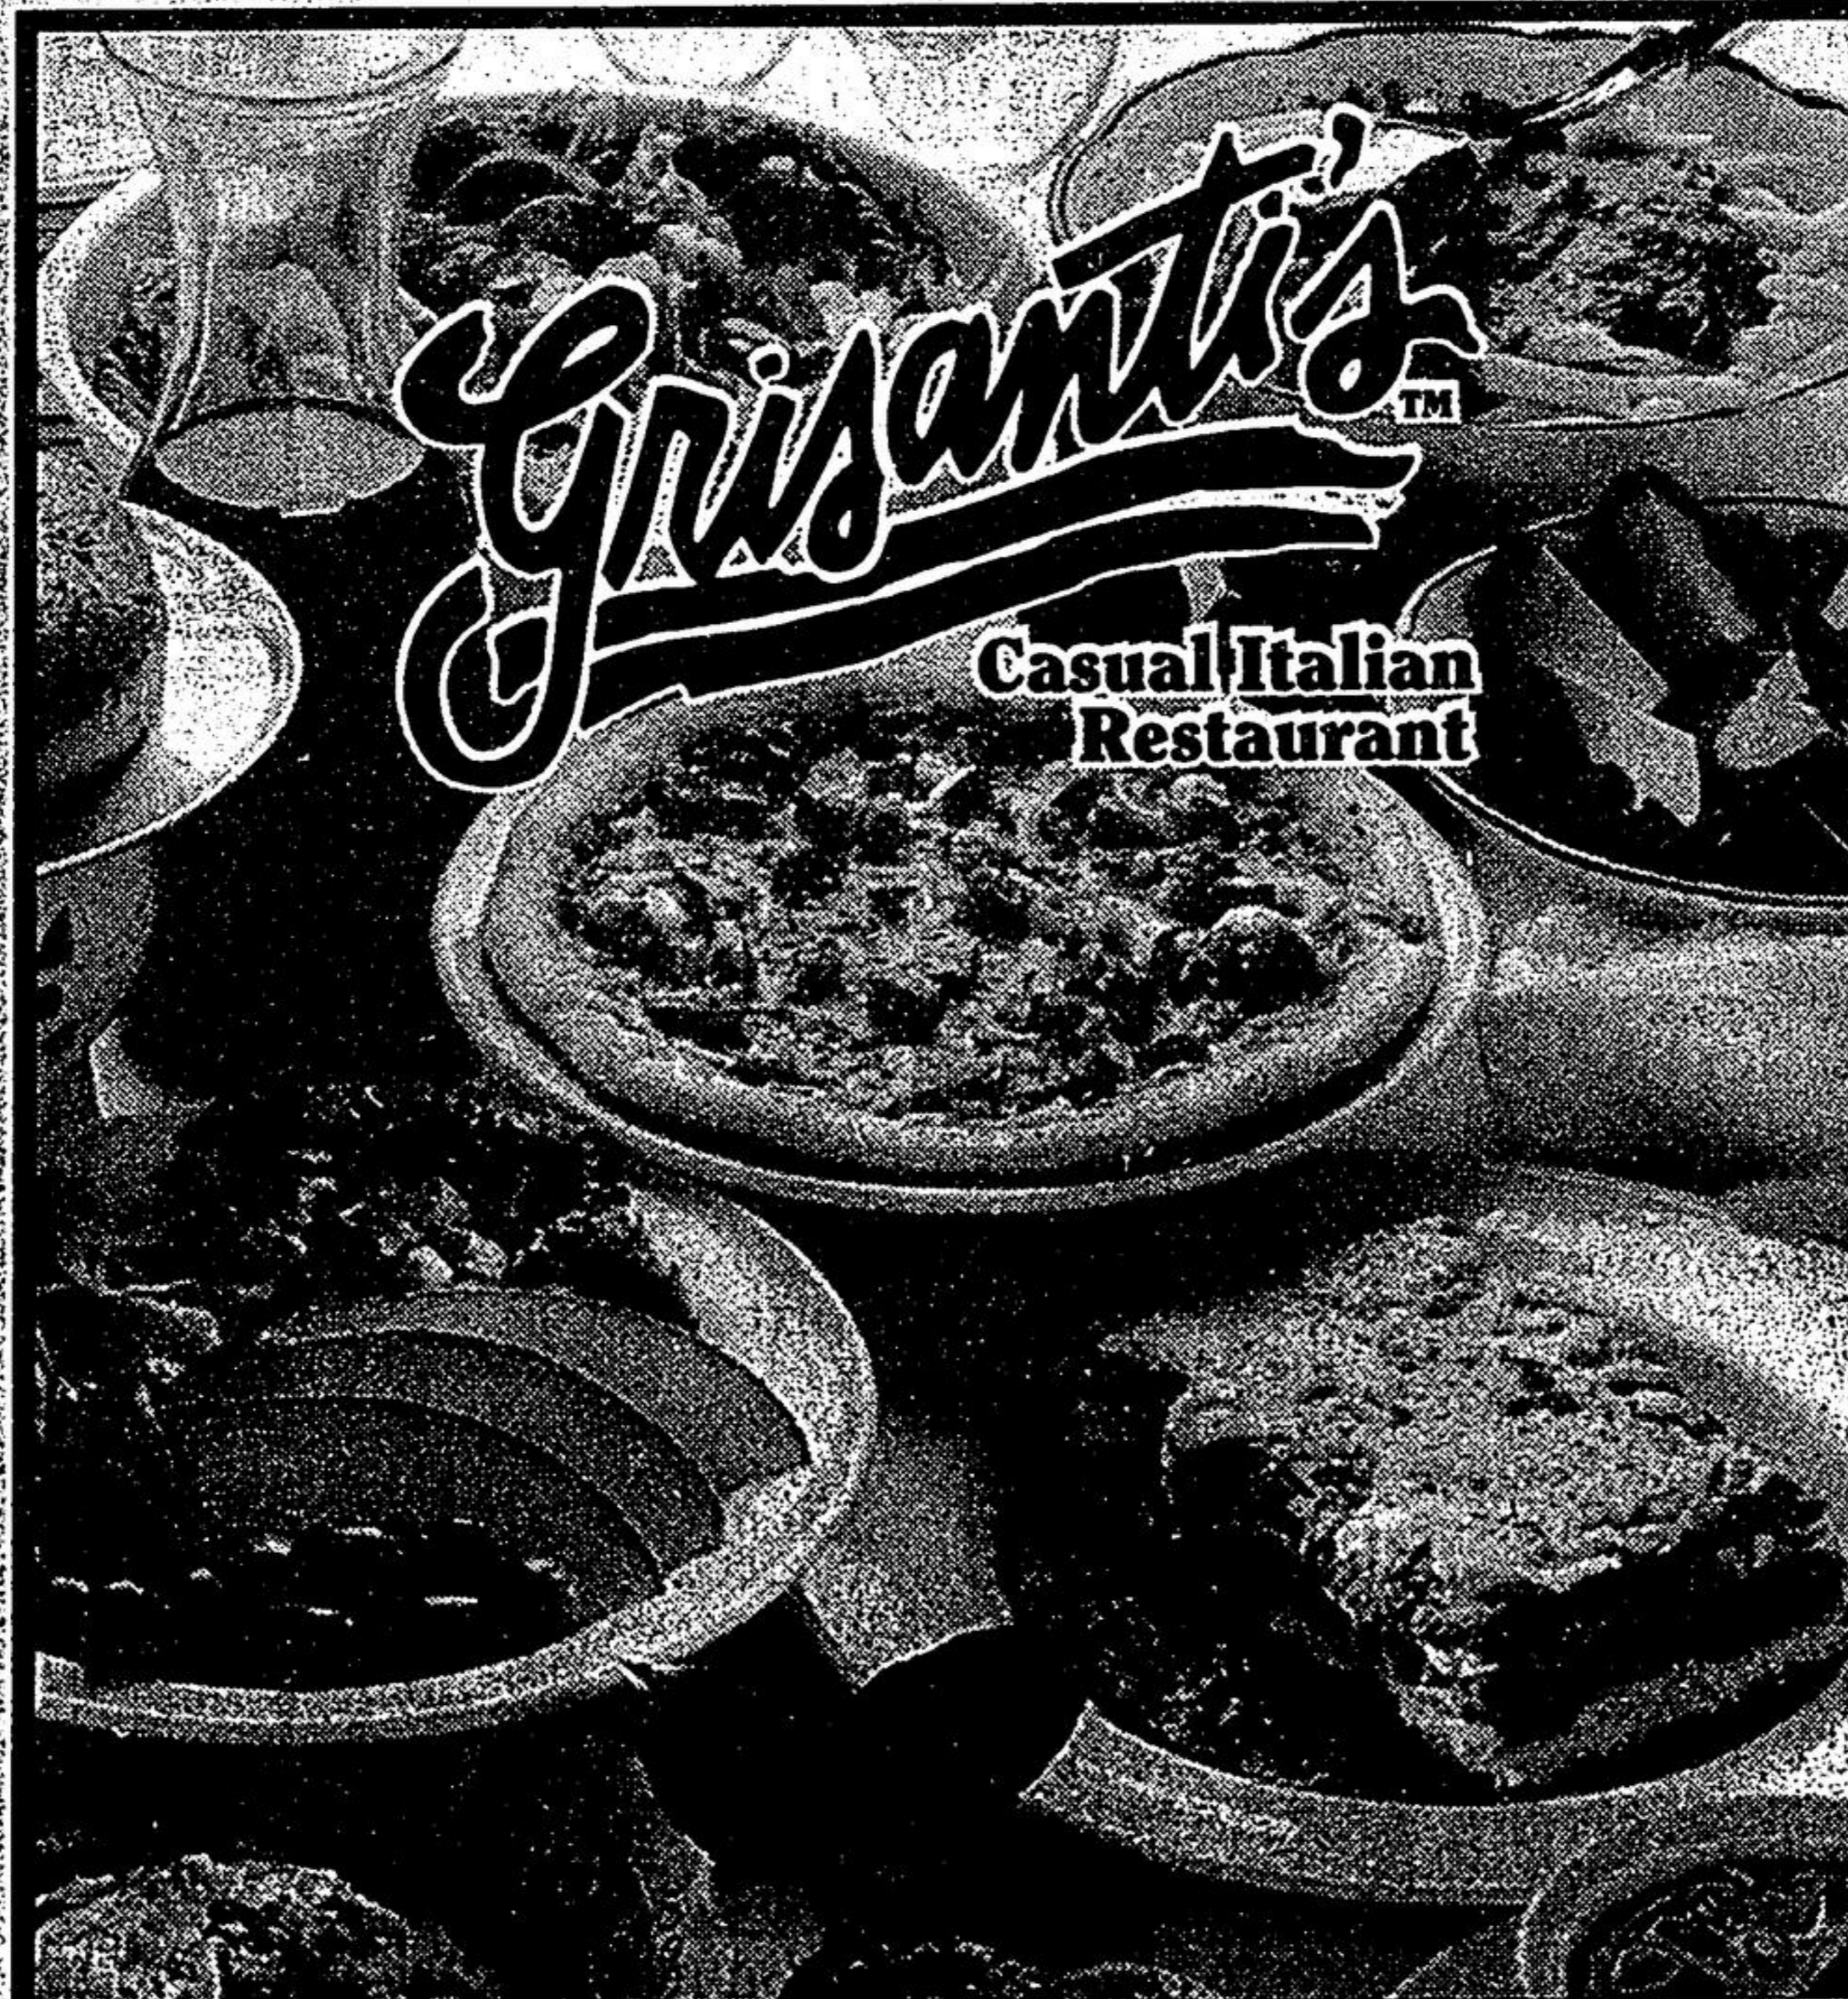

The Edwards Murphy bantam Clippers are just one game away from advancing to the Ontario Minor Hockey Association semifinals.

The Clippers took a two games to none stranglehold on their best-of-five quarter final series with New Tecumseth over the weekend, winning Friday's series opener 5-4 at the Rec Centre before defeating their

hosts 7-3 Sunday in Tottenham.

Ryan Fontanna and Dave Brown each counted four goals and two assists to lead the offence in the two games. Geoff Dunn and Matt Sullivan each had a goal and three assists. Lukas Williams and Justin Heyworth were good for a goal and two assists each.

Single set ups went to Dylan Harrison, Peter Smit and Jeremy Morris.
