YORK REGION CHILDREN'S AID SOCIETY has opportunities for EMERGENCY-DUTY CHILD PROTECTION WORKERS

York Region Children's Aid Society delivers protective services to children under 16 years of age, 24 hours-a-day everyday. The CAS is expanding its emergency duty roster, and has new opportunities for qualified professionals interested in providing emergency investigation and child protection services, during nights and weekends.

You will have a degree or diploma in social services or the humanities. You will have a vehicle for travel throughout York Region. You know how to operate independently and make sound decisions in difficult situations. You know when to call for advice and how to take direction. While compassionate, you are not afraid to exercise authority and enforce the law if needed. Previous CAS experience and knowledge of the *Child and Family Services Act* are definite assets.

We will pay you an emergency-duty allowance, reimburse your travel expenses, and give you free CAA membership. We will put you on a roster of emergency-duty child protection workers. We will give you training and on-the-job supervision, and provide you with a cell phone and pager and others tools for the job.

If this challenge interests you, please send your resume to:

Mr. R. A. Mullen, Executive Director
York Region Children's Aid Society
Box 358, 85 Eagle Street West
Newmarket, Ontario L3Y 4X7
Fax: (905) 895-8379

We thank all applicants, however only those selected for interview will be contacted.

CMS Manufacturing Systems is a software development company specializing in Enterprise Resource Planning (ERP) software for the North American manufacturing industry. As a result of our steady growth and excellent market acceptance we are looking for individuals to join our team in the role of:

RPG/400 Programmer/Analyst

As a full-time, permanent employee you will be involved in the design and development of new products as well as in the maintenance and enhancement of existing applications. Responding to customer questions and requests will be an important part of your job.

To qualify for this role, you must have at least one year's experience as a RPG/400 programmer. You possess above-average verbal and written communication skills combined with a strong orientation towards customer service. Previous exposure to manufacturing software would be a definite asset.

CMS offers excellent growth potential backed by an attractive compensation package. You will have the opportunity to work in a friendly, congenial atmosphere where continued learning and skill development are encouraged and rewarded. You will be part of a group of qualified professionals who enjoy the respect of our customers and management alike.

If you are interested in becoming a member of the CMS, please fax your resume to:
