The Ladies Auxiliary of the Royal Canadian Legion, Branch 459, in Stouffville are holding their hot noon luncheon tomorrow (Wednesday) from 11:30 a.m. until 1:30 p.m. The popular community get-together will be held at the Legion Hall on Ninth Line. Tickets are \$8 each and are available by calling Marion Murphy at 640-2443. All proceeds from the luncheon go to Veterans' Welfare.

Celebrating 60 Years
The Whitchurch-Stouffville Historical Society is hosting a special presentation by Tom Winters, membership director of

Grapevine

Kate Gilderdale

the local Lions Club, entitled 'The Lions Roar in Stouffville.' The club, sponsored by its Bradford counterpart, was chartered Feb. 16, 1938, with J.R. Hodgins serving as president for the first two years. Members and friends celebrated its 60th anniversary with a big party at Markham Fairgrounds Feb. 28.

This community has benefitted immeasurably from the club's tireless volunteer work, which includes everything from fundraising for charity to providing people power at special events such as Markham Fair. Lions are men and women who volunteer

their time to both local and international humanitarian causes. Their motto is 'We Serve.' On an international level, the club supports Sight First, a program which has been set up to assist the blind and visually impaired. Lions also support diabetes awareness and research, work with the physically and mentally disabled and provide funding for a wide variety of local programs and causes.

The association was founded in Chicago in 1917 and is now the largest service organization in the world, with 1.4 million members in more than 180 countries. The Historical Society presentation takes place March 25 at Parkview Village Auditorium and everyone is welcome. For more information call 640-7391 or 642-0342.
