

# The Backyard & Outdoor Renovation Show

## Unique show helps you make the most out of your leisure time

Everything you need to help you enjoy your home and your leisure

time is at The Backyard & Outdoor Leisure Show.

The unique show features products and services relating to your home and leisure," said Shirley Trotter, show manager.

Trotter started the show eight years ago in Pickering. Three years ago she brought

the three-day show to Markham.

"We saw the excellent potential of being able to reach a community that stretches the whole of Southern York Region."

This year, there are 60 companies who are available to teach people how to make the most out of their leisure time.

The companies (many whom are local) will feature products such as landscaping, decks, pools and hot tubs, windows, fencing, patio furniture, roofing and more. There will also be four feature gardens set up throughout the show. The gardens give people ideas on what they can do with their own gardens.

Throughout the day, expert speakers will be lecturing on a variety of topics from creating a wildflower garden to how to attract native birds and animals to your backyard.

The Backyard & Outdoor Show runs Friday, March 27 from noon to 9 pm, Saturday March 28 from 10 am to 9 pm and Sunday, March 29 from 10 am to 6 pm.

Tickets are \$7 for adults, \$5 for people 60+ and children 12 and under are free.

The show is taking place at Markham Fairgrounds.
