**"MY MECHANIC KNOWS MY CAR BEST."**

"I've spent a lot on cars over the past 20 years - I even remember when you could fix some things yourself. Cars are a lot better now, and a lot more complicated. There are a lot of different cars out there now. I don't know how anybody could claim to be an expert in all of them. So I don't fool around. I take it to the people who know it best."
