

Do you want your Government to:

- a. Consult with the voters?
- b. Be responsive?
- c. Be accountable?
- d. Give everyone an equal voice?

or

- e. All of the above.

The **only** answer is "e", and we would like to talk to you about a referendum package that will give you a voice. The Ontario Government wants to hear from **you**, the people of Ontario, about referendums and how they can give everyone a say. When we say everyone, we mean **everyone** will have a voice that will be heard. Just come out and talk to us about it.

Minister Tony Clement is visiting towns across Ontario to listen to what you have to say and to make sure that your voice is heard. Because good government is accountable government.

We look forward to hearing from you.
